

Call for Papers

EduAction 2022 Miami, USA

VIRTUAL ENVIRONMENTS AND HUMAN DEVELOPMENT

August 3rd-5th, 2022, Miami, USA

<https://eduactioncongress.org>

Proceedings: CEUR-WS, will be indexed by Scopus

Post-proceedings: partner journals (to be announced), indexed by: Scopus, Web of Science

EduAction 2022 at a Glance

The international congress EduAction 2022, organized by the Humboldt International University in collaboration with a group of educational and research institutions, is pleased to invite you to submit your original and unpublished research papers in Spanish and English; that are not submitted to other journals, newsletters and/or congresses in the area or others. This is intended to create a space for academic actions focused on proposing, sharing, and disseminating development and research based on modern learning theories, as well as models, tools and computational applications that promote and enrich strategies for effective education and training, demanded by current global trends.

Important Dates

(23:59 Hawaii time)

Monday, 16.05.2022 - paper submission deadline

Monday, 27.06.2022 - acceptance notification

Monday, 18.07.2022 - submission of camera-ready papers

Monday, 18.07.2022 - registration deadline

Wednesday, 03.08.2022 - Congress Day

Thursday, 04.08.2022 - Congress Day

Friday, 05.08.2022 - Congress Day

Fees

EduAction charges a conference fee to maintain conference facilities and provide conference services (conference materials, stationery, coffee-breaks). The payment of fee shall not be taken as guarantee for a paper publication. The standard fee is \$350. The early bird registration fee is \$200. The deadline for early bird registration is April 1st, 2022. The fee for on-line participation is \$100. The fee should be paid during the registration.

The Scope of EduAction

The submission can be made in the following categories, but are not limited to:

- **Technology-based pedagogical models and strategies**
- Integration of technologies in pedagogical models
- Use of technologies as didactic strategies
- Development of applications for teaching and learning
- Technology-mediated instruction
- Teaching experiences with the use of technologies
- Use of technologies as assessment tools
- Use of technologies in educational evaluation processes
- Design of digital teaching materials
- **Tools and applications to innovate in education**
- 3D technology applications for education
- Apps for education

- Mobile and pervasive technologies
- ICT for educational inclusion
- Innovative materials and new tools for teaching
- New classroom technologies
- Virtual, Augmented or Mixed Reality applied to Education
- Multimedia Systems and Applications
- Free software for education
- Information Technology in Education
- **Smart technologies for education**
- Intelligent tutor systems
- Expert systems for the creation of instructional teaching models
- Computer Assisted Learning
- Adaptive learning
- Data Mining in Education
- Smart applications in education

Submission Types and Requirements

EduAction solicits (i) regular (full) research papers, (ii) short research papers, (iii) discussion, survey, or problem analysis papers, (iv) industry experience reports or case studies. Evaluation criteria are the relevance, novelty and originality, quality and rigor, soundness and evaluation, clarity, correctness, structure and language, anticipated value, and interest.

Submission Instructions and Publication

The language of EduAction is English and Spanish. All submissions shall be annotated by the key words/phrases freely chosen by the authors. At least three and at most five key phrases have to be provided.

All submissions must comply with the format guidelines. Formatting instructions and template will be provided at the website.

Submissions must be made in **.pdf** by using the **EasyChair** System (track EduAction 2022): <https://easychair.org/my/conference?conf=eduaction2022#>.

Please submit your paper to the **EduAction 2022**.

1. Only papers written in **English** can be recommended, if accepted by the EduAction PC, for publication in the EduAction 2022 proceedings which will be published electronically at CEUR-WS (will be indexed by Scopus)
2. The best conference papers in Spanish may be invited to be extended and published in special issues of partner journals. The list of journals will be announced after review process.
3. The best conference papers which are written in English and selected by the EduAction 2022 Program Committee, among those presented at the conference, may be invited to be revised and published in the partner journals, indexed in Scopus and

WoS. The extension and the additional review stage are compulsory.

Evaluation and Presentation

Every submission will be evaluated by at least two members of the EduAction Program Committee. Based on evaluation results, the best papers will be accepted for their presentation at the conference and, if written in English, publication in the proceedings.

It is strongly required that at least one author of an accepted paper:

- Attends the conference in person (hybrid mode will be considered due to COVID19 restrictions)
- Presents their paper in person at the conference at the time specified in the program (hybrid mode will be considered due to COVID19 restrictions). The presentation will be recorded.

Congress organizers will withdraw the paper from the publication in CEUR-WS proceedings if the author(s) do not attend the congress.

Program Committee of EduAction 2022

Chairs

Javier F. Garcia (javier.garcia@humboldtii.com), Humboldt International University, USA

Tetiana Paientko (tetiana.paientko@humboldtii.com), Kyiv National Economic University named after Vadym Hetman, Ukraine

Humboldt International University, USA

Program Committee Members

Alfredo Zspata Gonzalez, University of Yucatan, Mexico

Antonio Benavente, Catholic University of Santa María, Peru

Argelio de la Cruz, Humboldt International University, USA

Barin Kumar Roy, Maulana Azad College, Kolkata, India

Cristobal Romero, University of Cordoba, Spain

Diomedes Christopher, Humboldt International University, USA

Eduardo Orozco, Humboldt International University, USA

Eliana Bigai, Humboldt International University, USA

Fatima Ali-Shah, Humboldt International University, USA

Forcim Kola, "Marin Barleti" University, Albania

Givi Bedianashvili, Institute of Research of Economic and Social Problems of Globalization at European University, Georgia

Jaime Muñoz-Arteaga, Autonomous University of Aguascalientes, Mexico

Jaime Sanchez Ilabaca, Catholic University of Chile, Chile

Jan-Hendrik Meier, Kiel University of Applied Sciences, Germany

Javier Garcia, Humboldt International University, USA

Jennifer Faria, Humboldt International University, USA

Jessica Molina, Humboldt International University, USA

John Johnson, Humboldt International University, USA

Jorge Bergallo, Humboldt International University, USA

Jose Angel Olivas, University of Castilla-La Mancha: Ciudad Real Campus, Spain

Jusuf Zeqiri, South-East European University, Republic of North Macedonia

Kateryna Proskura, University of the State Fiscal Service of Ukraine, Ukraine

Lidiia Hladchenko, Kyiv National Economic University named after Vadym Hetman, Ukraine

Lilian Muniz, Humboldt International University, USA

Liubov Pankratova, National University of Life and Environmental Sciences of Ukraine, Ukraine

Manuel Prieto, Humboldt International University, USA

Maricela Urias, Humboldt International University, USA

Maryna Ivannikova, Poltava University of Economics and Trade, Ukraine,

Humboldt International University, USA

Olha Prokopenko, Tallinn University of Technology, Estonia

Prieto Barbosa, Humboldt International University, USA

Ramon Esperon, University of Yucatan, Mexico

René Alfredo Martínez, Humboldt International University, USA

Robert Rickards, German Police University, Germany

Rohail Hassan, University Utara Malaysia, Malaysia.

Rosa Ulloa, Humboldt International University, USA

Ruben Edel, Humboldt International University, USA

Sandra Verde, Humboldt International University, USA

Silvia Pech, Humboldt International University, USA

Slimane Ed-Dafali, National School of Commerce and Management (ENCG) ElJadida Chouaib Doukkali University, Morocco

Touseef Hussain, Sukkur IBA University, Pakistan

Tetiana Paientko, Kyiv National Economic University named after Vadym Hetman, Ukraine

Victor Hugo Menéndez Domínguez, University of Yucatan, Mexico

Vitaliy Kobets, Kherson State University, Ukraine

Viviana Fernandez, Humboldt International University, USA

Walter Carballosa Torres, Humboldt International University, USA

Yadira Torres, Humboldt International University, USA

Yenny Eguigure, Francisco Morazán National Pedagogical University, Honduras

Zoriana Matsuk, Ivano-Frankivsk National Technical University of Oil and Gas, Ukraine

How to Get to Miami

Miami, officially the **City of Miami**, is a coastal metropolis located in Miami-Dade County in southeastern Florida, United States. With a population of 442,241 as of the 2020 census, it is the 44th-largest city in the United States and the core of the nation's eighth-largest metropolitan area. The city has the third-largest skyline in the U.S. with over 300 high-rises, 58 of which exceed 491 ft (150 m). Miami is a major center and leader in finance, commerce, culture, arts, and international trade. Miami International Airport (MIA), located on 3,230 acres of land near downtown Miami, is operated by the Miami-Dade Aviation Department and is the property of Miami-Dade County government. Founded in 1928, MIA now offers more flights to Latin America and the Caribbean than any other U.S. airport, is America's third-busiest airport for international passengers, boasts a lineup over 100 air carriers and is the top U.S. airport for international freight. (<https://www.miami-airport.com/about.us.asp/>). More details are available at the **Conference Venue** page at the EduAction 2022 web site: <https://eduactioncongress.org>
